by yaykindie

Howdy, hello, and hi. This is the
capital letter H and the small letter h.
The letter H makes the sound huh.
Huh, huh, huh, huh, huh.

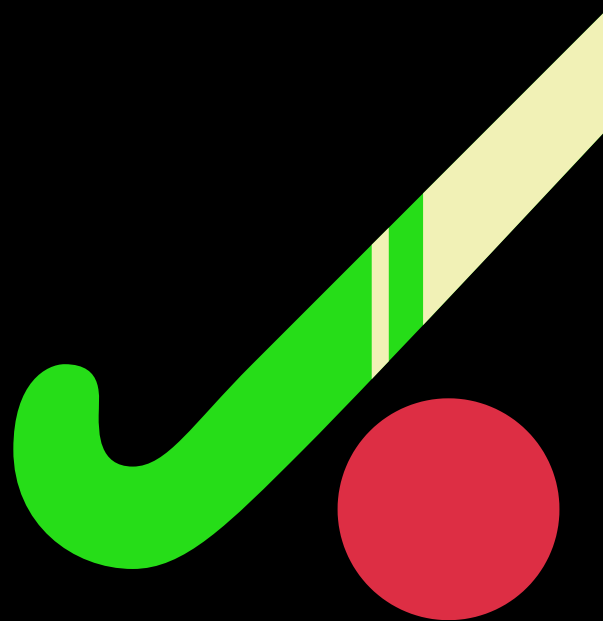

H is for horse.

H is for happy horse.

H is for heart.

H is for hockey.

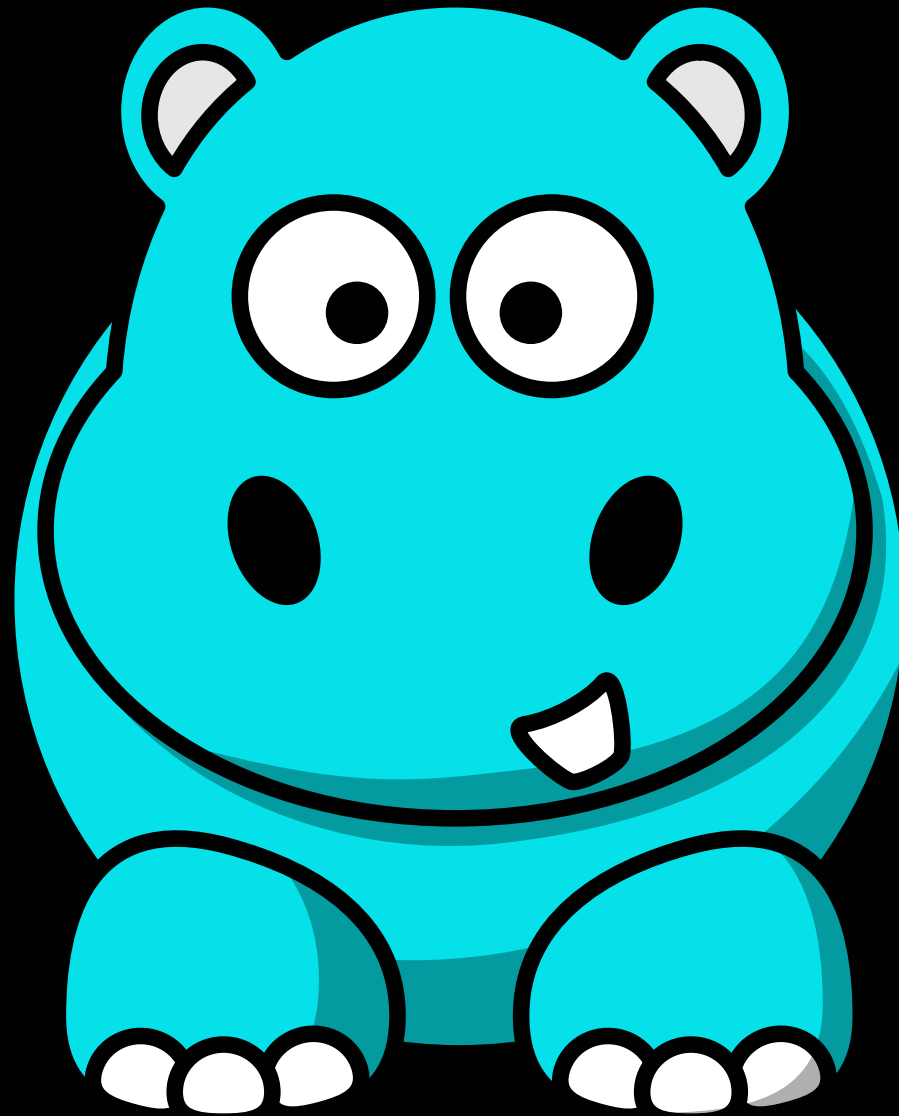

H is for hat.

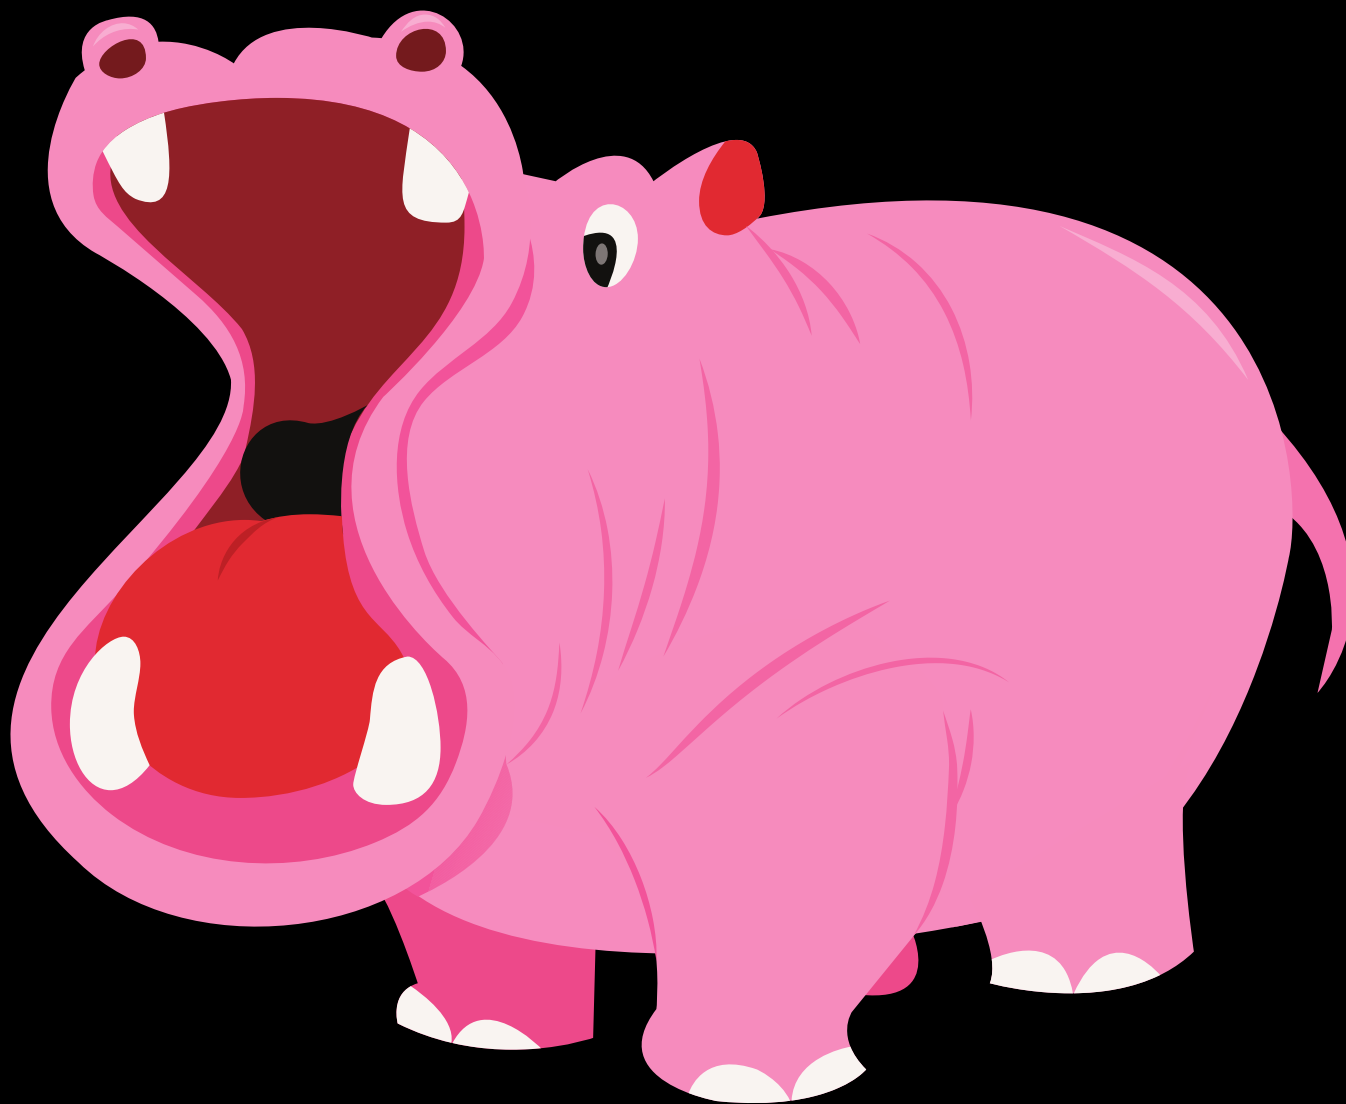

H is for hugs.

This is the letter H. H makes the huh
sound. Huh, huh, huh.

H is for hippo.

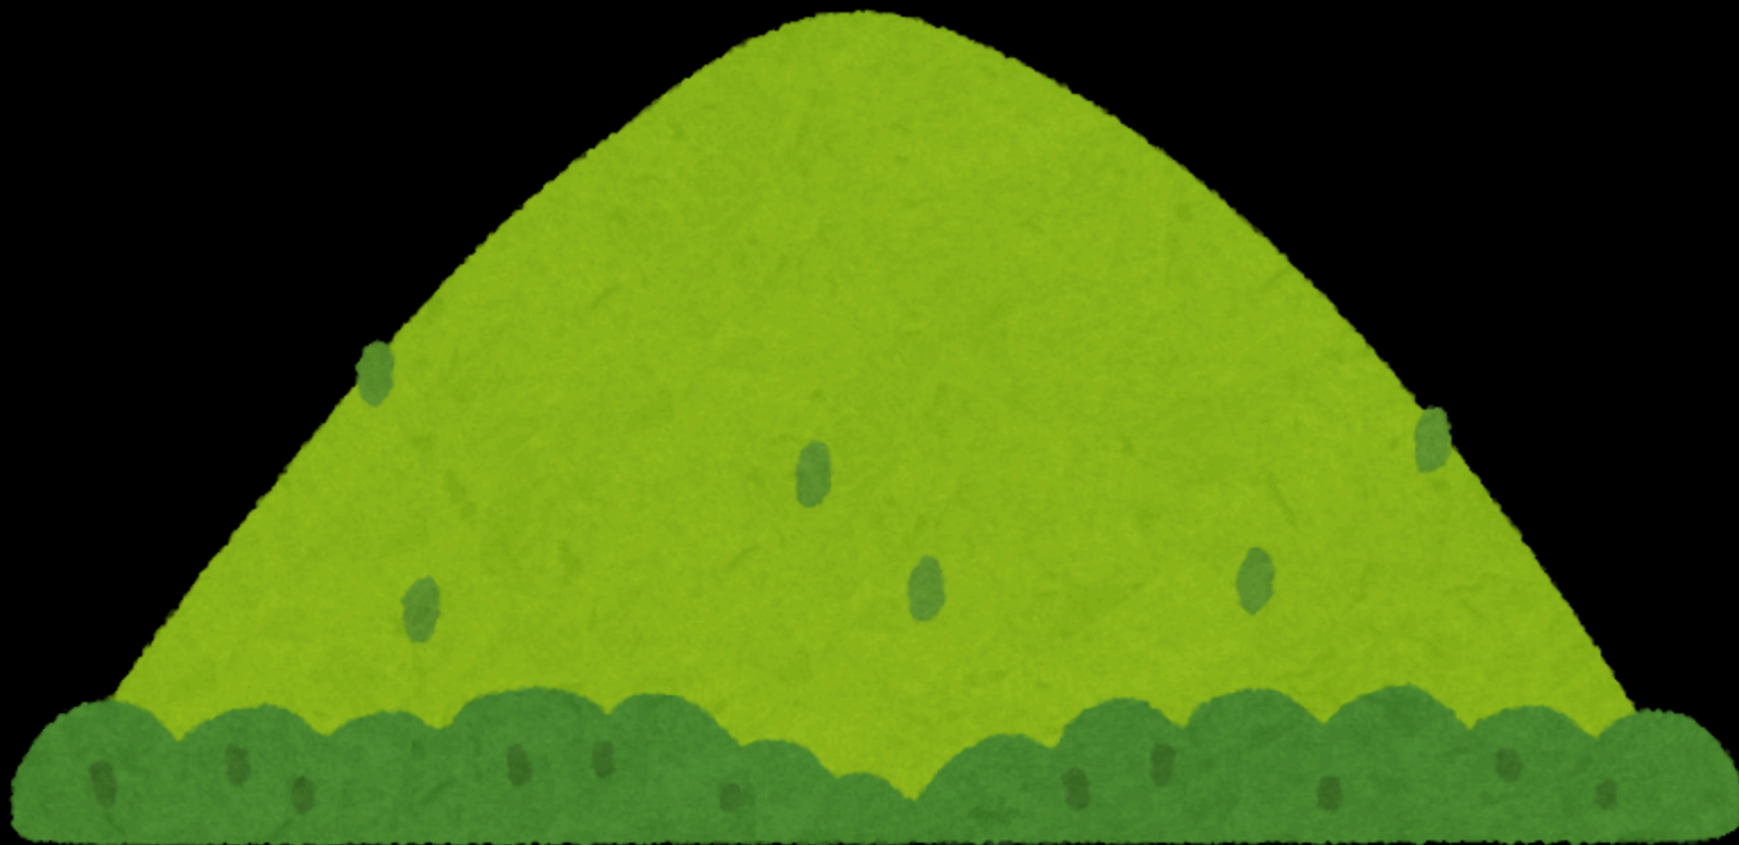

H is for hungry hippo.

H is for hands.

Hope you're happy with my H book
