

SHARED READING: INVITATIONS TO PARTICIPATE: PODD 15 PLUS SCHOOL

LEVELS 2 & ABOVE

What do you think we will see next?

Make sure you are on the main page of PODD 15 Plus School in an app or program. Select "I'm asking a question" which takes you to the first page of question words. Select "turn the page" and then say "What do you think we will see next" while selecting "what's next".

Now give an expectant pause and see what the student has to say. If needed, point to Categories on the right hand menu, then go to Categories page and suggest relevant categories for the student to make a comment.

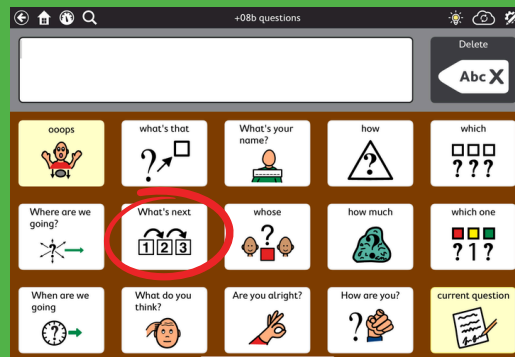

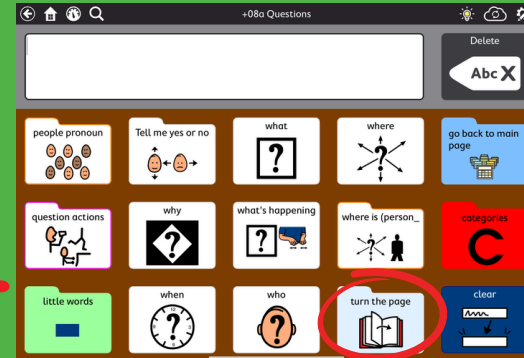

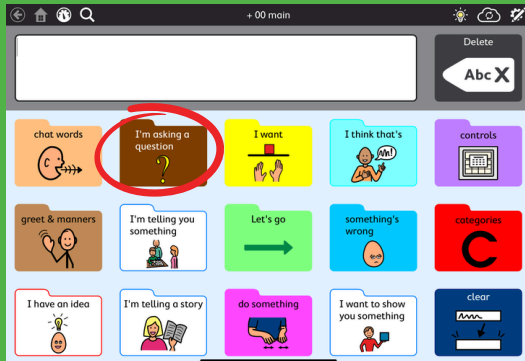

Please note: in all interactions, we are aiming to use 80% comments and 20 % questions to help our students develop as autonomous communicators. This applies in shared reading too – so please model comments as you read and as part of invitations to participate.

That makes me feel (xxx). I wonder how you feel.....

Then choose a feeling

SHARED READING: INVITATIONS TO PARTICIPATE: PODD 15 PLUS SCHOOL

LEVELS 2 & ABOVE

I like this. It's (xxx). Tell me what you think.

Make sure you are on the main page of PODD 15 Plus School.

Say and select "I think that's", then select "Like words".

Now select your opinion (or turn the page if needed and then select an opinion). Now select "I think that's" again, then select "opinion actions" then say "Tell me what you think" while selecting "think".

Now give an expectant pause and see what the student has to say. You might point to turn the page and offer them more options.

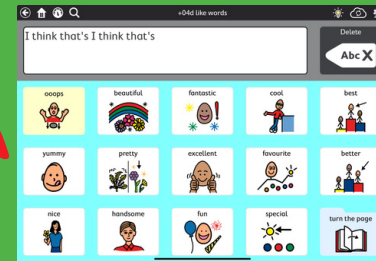

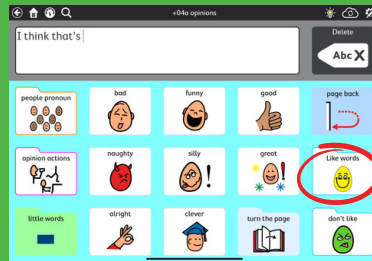

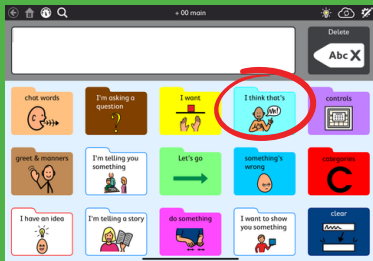

Please note: in all interactions, we are aiming to use 80% comments and 20 % questions to help our students develop as autonomous communicators. This applies in shared reading too – so please model comments as you read and as part of invitations to participate.

LEVELS 2 & ABOVE

Uh oh, something's wrong.....

Make sure you are on the main page of PODD 15 Plus School in an app or program. Select "Chat Words" and then select "uh oh". You should now be on the main page again, and you would select "something's wrong".

On the Something's Wrong page, say anything that is appropriate. For example, you could say "He's tired" and point to "tired".

Now give an expectant pause and see what the student has to say.

If needed, select "categories" on the right hand side, and then suggest relevant categories for the student to make a comment.

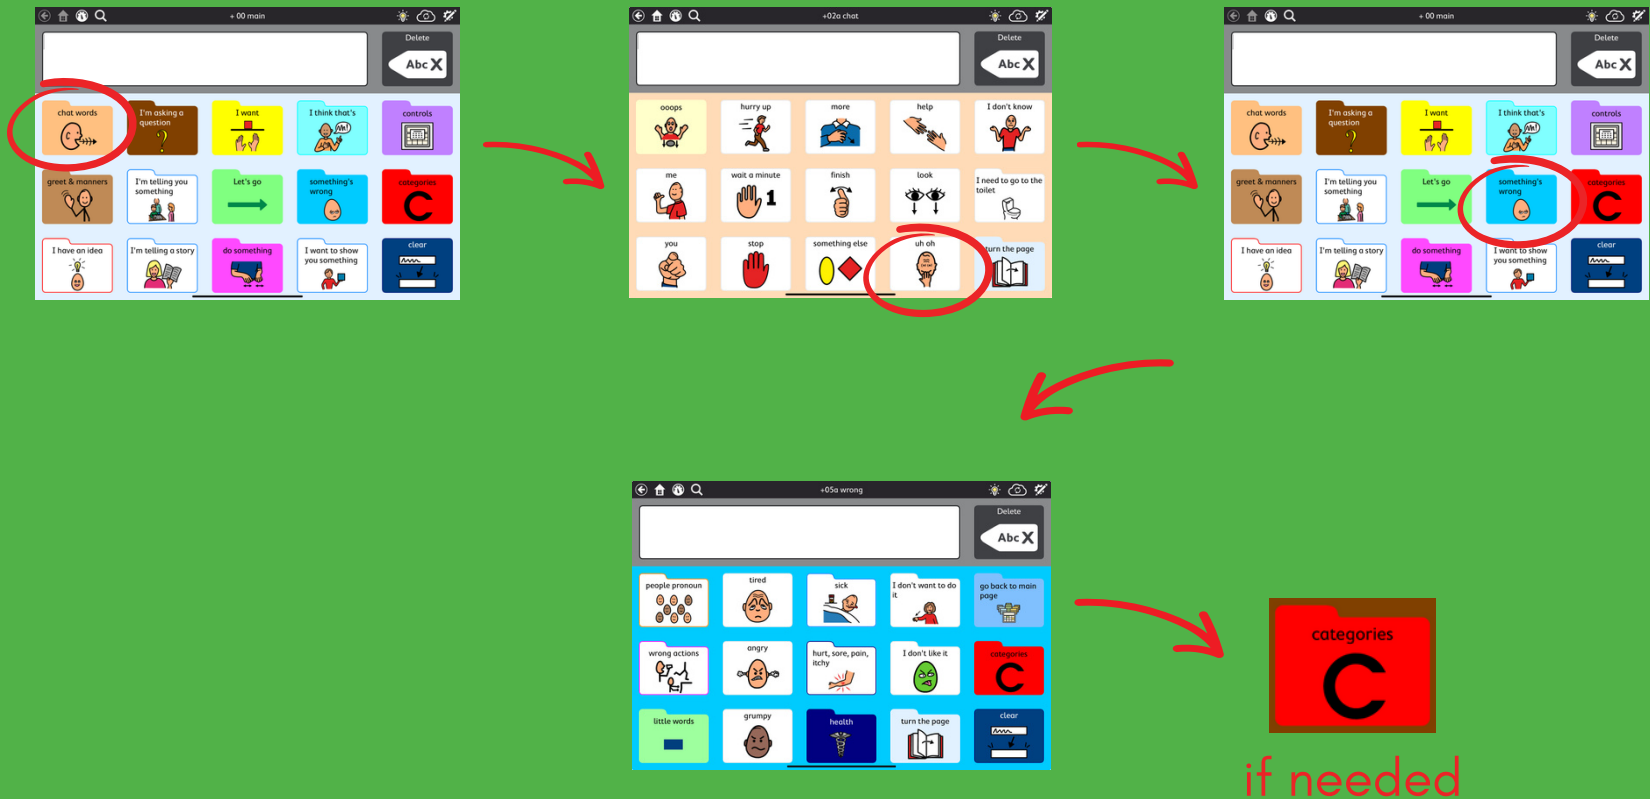

Please note: in all interactions, we are aiming to use 80% comments and 20 % questions to help our students develop as autonomous communicators. This applies in shared reading too – so please model comments as you read and as part of invitations to participate.
